

# Building an Inclusive Swanson Community

## by Partnering with Families

At Swanson, we are committed to creating a safe and inclusive environment for every student. For the past three years we have engaged in meaningful lessons through STAR Peace Circles, PE classes, and SEL activities that were meant to help foster a respectful and supportive community. We are continuing these efforts in the 2025 - 26 school year and want to partner with families to strengthen our community values.

### What to Expect:

- Quarterly Meetings
- Family discussions on equity and inclusion
- Resources to support conversations at home
