

Database Access

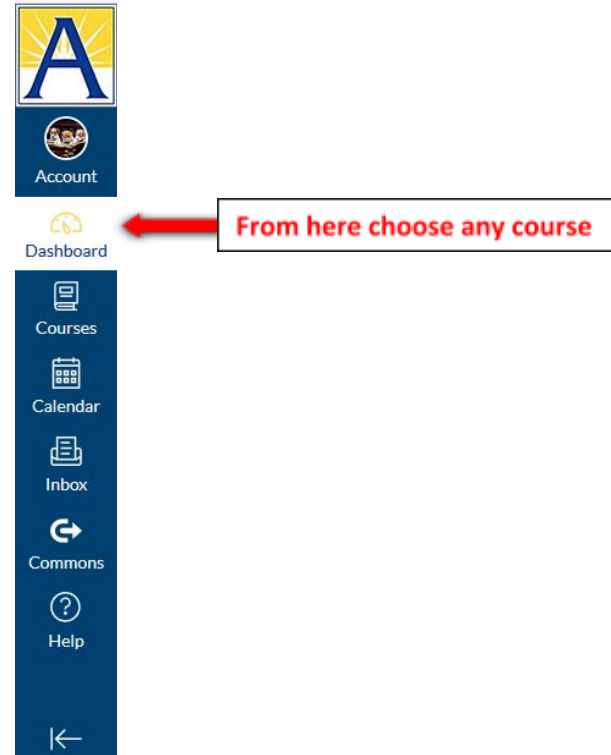

There are two ways to access our databases: Canvas and MackinVIA.

Canvas Access

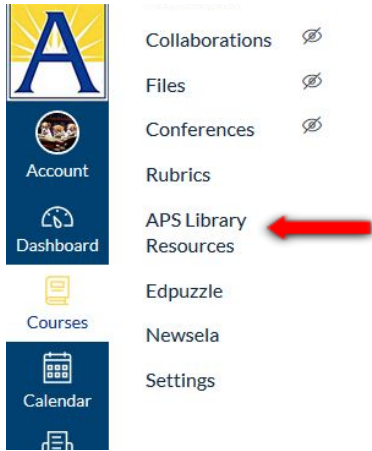

1. Log into Canvas using the app or going to Myaccess.com. Login with your student's MyAccess account. Once in choose "Canvas".

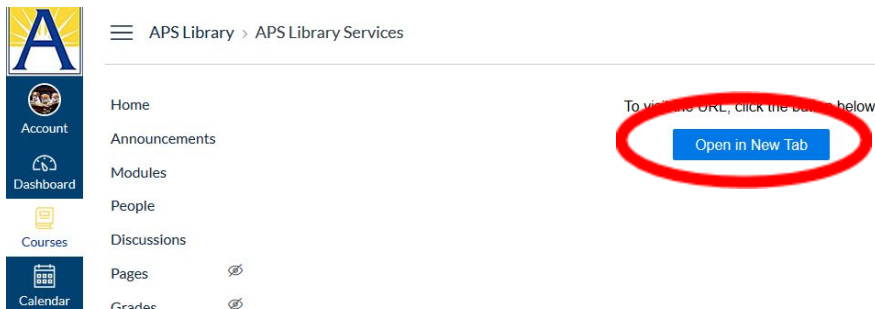

2. From your dashboard choose any course that your student is enrolled in.

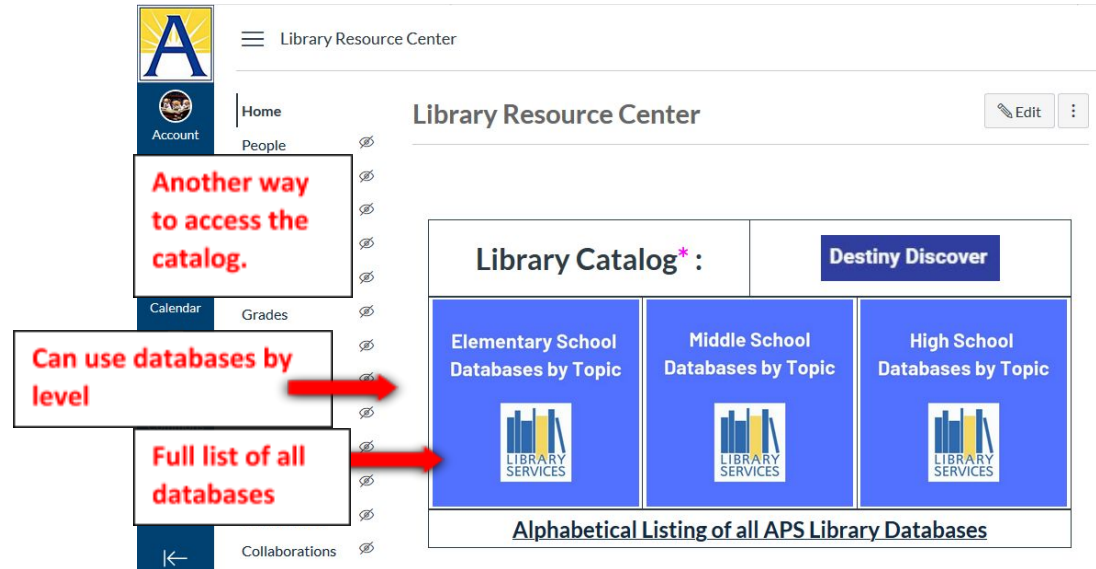

3. Once in a course go to the bottom left hand side (you may have to scroll). Find where it says, "APS Library Resources" and click on it.

3. A new page will appear and click where it says, "open in new tab".

4. The database portal will appear and simply click to use the databases.

MackinVIA Access

1. Click on the MackinVIA app

2. Click "sign-in".

3. Type in your student's school name.

The image shows the MackinVIA Sign In form. It has a black background with the MackinVIA logo at the top. Below the logo, it says "Sign In" in blue and "Log in to your site's MackinVIA account" in white. There are three input fields: "School/Library Name", "User ID", and "Password". A blue "Log In" button is at the bottom.

Type school name here

4. Login in with your student's MyAccess account

The image shows the APS MyAccess login form. It has a light gray background. At the top, it says "Log in using your account" in blue. Below that, there is a blue button with the APS MyAccess logo and the text "APS MyAccess". A green oval highlights this button. Below the button, there is a red "X" over the "Log in" button. Below the "X", there are input fields for "Username" and "Password". At the bottom, there is a "Cancel" button and a "Submit" button. A link for "Trouble logging in? Ask your media specialist or librarian." is also present.

5. Click on the left-hand side where it says 'databases". Then just choose any database!
